### FIFTY-THIRD CONGRESS.

WASHINGTON, April 23-SENATE-The great teature of the senate Thready was the speech of Senator Mills (dom. Tex.), herbiding general debats on the tariff bill. He spoke for a little over two and a half hours in his usual revent and lapassioned style, and was honored with a very attentive hearing on the part in thomas was senators and crowded gallerles. He did not think the bill perfect, half is about the passed. The closing part of his spoech was the most elective and the most calculated to attract attention. In it he declared openly his contempt for the traditions of the senate so tar as endless debate and the right of obstruction were concerned, and and that it he horry-four democratic senators had the same purpose as he craits senators had the same purpose as he right of obstruction were concerned, and and that it he horry-four democratic senators had the same purpose as he right of obstruction were concerned, and and that it he horry-four democratic senators had the same purpose as he right of obstruction were concerned, and and that it he horry-four democratic senators had the same purpose as he right of obstruction were concerned, and and that it he horry-four democratic senators had the same purpose as he intoxication, Win Ibward a carpenter, the other morning assaulted his cratin senators had the same purpose as he had, and if there was a lorty-fifth democrat in the chair, the senata would pass the bill in less

than forty-eight hoars.

House-No business of importance transthan forty-eight noars.

Hosse-No business of importance transacted Tuesday.

Washington, April 26.—Strate-Mr. Sherman irep., Ot, a member of the finance committee, saited that he had been authorized by the committee to effer are assendent which he thought would remove the objections of building associations to the income tax bill. The amendment, he said, wo lid cover all building associations whose husiness it is to loan most jet other shareholders or to receive denosits for them. The tariff bill am theo taken up he consideration grangraph by paragraph, the tomid reading of the bill in extense being dispensed with. With the lirst line of the bill there was an amendment (reported by the finance committies) to fix the lime when the act take effect, the 5th et. In the lime when the act take effect, the 5th ct. June, 1891, Instead of the 1st. A bill and a resolution on the subject of the expected arrival in the capital Coxey and his followers was introduced prior to adjournment by the populate straters from knanes and Nebraska.

Tue dead body of John Nordyke was found five miles from Crab Orchard sitting tu an upright position, with two empty bottles tying a near.

It is again reported that a contract has teen let for the building of sixty miles of railroad to reach the coal fields of Pike county.

Tue pool-rooms of Covington aucceeded in giving a setback to the movement to close them out, on the ground there with William Endicot, ment to close them out, on the ground to close them out to close them out, on the ground to close them out t cruits. He is said to have secured at n 71 w 15 p to a white oak and beech n 41 e 3 p to a beech n 31 e 6 ment to close them out, on the ground thence with William Endicart's Shannon, chestinations fullen same of being common nulsances. They demanded a trial by jury, and the latter, theme crossing the branch below the river, at low water mark, thone after first disagreelag na to the gullt of the cases, finally decided on a fine of only \$100. The result was a big amprise to the court and the owners of the rooms. Herevofore the latter have been fined generally \$500 whenever they pleaded guilty, and the fine was fixed by the court without the intersection of a dury.

William Endicott's loose to a up the river, at low water mark, with its meanders crossing the mouth of Martin branch to a slake in the river at low water mark, with its meanders crossing the mouth of Martin branch to a slake in the point at the river at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river, at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river, at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river, at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river, at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river, at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river, at low water mark, with its meanders crossing the mouth of Martin branch to slake in the point at the river, at low water mark, about the point at the river, at low water mark, about the point at the river, at low water mark, about the point at the river, at low water mark, about the point at the river, at low water mark, about the point at the river, at low water mark, about the point after first disagreeing un to the guilt of William Endicott's louve to a up the river, at low water mark Fententiary Guards Dischargad.
